## 1. Service Agreement

By requesting a quote or booking a service through our website, you agree to the terms outlined in your personalized service contract. This document will detail the scope of work, project timeline, and payment schedule.

## 2. Quotes and Pricing

All quotes are based on the information provided by you. Any changes to the scope of work, including additional areas or services, may result in a revised price. Quotes are valid for a specified period, typically 30 days.

## 3. Client Responsibilities

You are responsible for providing clear and safe access to the work area, including ensuring that all furniture, valuables, and personal belongings are removed or properly protected before our team arrives. You must also ensure that water and power are available on-site.

## 4. Payment

A deposit may be required to secure your booking. Final payment is due upon completion of the service, unless otherwise agreed upon in the contract. We accept various payment methods as specified in your contract.

## 5. Liability and Damages

We take all necessary precautions to protect your property. However, we are not liable for any pre-existing damages or for issues related to faulty structures, walls, or surfaces. We are not responsible for damage caused by circumstances beyond our control, such as acts of God or civil disturbances.

## 6. Warranty

We stand by the quality of our work. Your service contract may include a warranty on our workmanship. This warranty covers issues directly related to our application of the paint and does not cover normal wear and tear or damage from external factors.
